EVES OF DESTRUCTION
ROLLER
DERBY

WHAT'S GOING ON HERE?

A game of roller derby is an hour long, broken into two 30-minute halves. These are broken down into **JAMS**, which can be up to two minutes in length.

The whistle blows to start a jam, and everyone takes off. The first jammer to legally pass through the pack is declared **Lead Jammer**, and may end the jam at any time by tapping their hips twice. Points are scored by the jammers, who gain a point for every opponent they lap. Illegal actions will result in a 30 second visit to the penalty box; skater penalties are served immediately.

The team with the most points at the end of the game wins!

WHO ARE WE?

Since 2006, Eves of Destruction Roller Derby has been playing and growing together in the Victoria area. We are excited to get back to the sport we love after a two year, pandemic hiatus and are thrilled you are here to celebrate with us!

The Eves of Destruction includes skaters, officials, and volunteers from all ages and walks of life. If you are interested in joining us, there is a place for you! We have multiple adult teams for different skill levels, a gender-inclusive junior team for skaters ages 10-18, and a dedicated team of officials (both on- and off-skates) who keep us honest! Never roller skated before? No problem! Our learn to skate programs will teach you everything you need to join this intense and rewarding full-contact sport community.

IN A NUTSHELL

Have a stripe on their helmet and can receive the star cover from the jammer to become the point scorer.

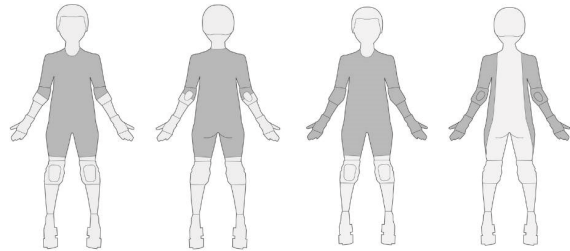

Attempt to stop the opposing team's jammer while helping their own through the pack. The blockers must form a pack and cannot engage with opponents if they are out of play.

Have a star on their helmet and are the only skater who can score points for their team. They can 'pass the star' to their pivot, thereby transforming them into a blocker.
